We are reviewing the records you requested, "Emails in the possession of any administrative staff (as defined on the attached list) which are to/from/cc/bcc Roya Saghafi from January 1, 2012 through March 29, 2019." You asked in the email below that Palisades Charter High School ("PCHS") respond to you by May 31, 2019. In accordance with Government Code section 6253(c), we have determined that your requests, in part, seek potentially disclosable records. Further, PCHS is not required to produce documents exempt from disclosure under the Public Records Act. (Govt. Code § 6254.) In responding to your request, PCHS does not waive any further rights it may have to withhold records pursuant to the Public Records Act and relevant case law, and expressly reserves those rights. Lastly, please be advised that PCHS also reserves the right to later supplement its production of documents should additional documents responsive to your request be located.

Your request involves a large volume of records for PCHS to review to determine what, if any of the documents, are public record. Any record found to be public may also need to be redacted pursuant to Government Code Section 6254. Because of the large number of documents involved, PCHS will need considerable time to prepare any records that might be public. We expect that any public records responsive to your request will be made available by July 1, 2019.

Thank you,  
Wayne Strumpfer
